

STUDENT'S NAME: _____

TEMPLETON UNIFIED SCHOOL DISTRICT
GENERAL AUTHORIZATION
STUDENT-ATHLETE RANDOM DRUG TESTING

I understand that my performance as a participant and the reputation of my school are dependent, in part, on my conduct. I hereby agree to accept and abide by the standards, rules and regulations set forth by the Templeton Unified School District Board of Trustees and the sponsors of the activity in which I participate.

I (we) understand that student participation and acceptance into the Athletic Program is contingent upon, among other things, successful drug screening. I agree to be subject to initial and random drug testing.

I (we) also authorize the Templeton Unified School District to conduct a test on my urine specimen, which I will provide to test for drug use. I also authorize the release of information concerning the results of such urine test to the Templeton Unified School District and to my parents and/or guardians.

I (we) hereby release the Templeton Unified School District, and each of its officers, officials, employees, volunteers and agents from any and all loss, liability, fines, penalties, forfeitures, costs and damages arising or alleged to have arisen directly or indirectly out of the active or passive negligence of the District in administering athletic drug testing in accordance with Board policy.

I (we) further specifically agree to authorize release of drug testing results to Templeton Unified School District and/or its medical representative. A photocopy of this document shall be sufficient as the original for this purpose.

This shall be deemed consent pursuant to the Family Education Right to Privacy Act for the release of the above information to the parties named above.

I (we) further agree that this release is given in consideration for the opportunity for me (my student's) participation in extracurricular athletic programs.

I (we) have read and understand all of the above and agree to it in its entirety.
