

## TES Game Club

With Mrs. Clark

### Hello TES Families!

I am starting a lunch group called "Game Club" that will be offered Tuesdays and Thursdays, during your child's scheduled lunch-recess time. In lieu of playing on the playground for the first 20 minutes of lunch-recess, students will have an opportunity to spend their free time playing games, in a small group setting. Students will then rejoin their classmates at the lunch tables, to finish their lunch. In order to keep group sizes small, I will work with your child's teacher on scheduling a day(s) to attend.

### The Power of Play!

More than just a chance to have fun, playing games can help enrich a child's social development in so many important ways! During Game Club, students will work on developing a number of social skills, such as: self-control, taking turns, problem solving, conversational skills, dealing with conflict, perspective taking, social awareness, and of course, making new friends! The goal of Game Club is to connect peers, in a safe and welcoming environment ♥

If you have any questions about Game Club or counseling related services, please feel free to contact me at [sclark@templetonusd.org](mailto:sclark@templetonusd.org).

*"Enter into children's play and you will find the place where their minds, hearts, and souls meet."-Virginia Axline*
